Benefitting Inova Life with Cancer

Hosted by Rinker Design Associates in partnership with Villagio Hospitality Group

Dear Potential Sponsor,

We hope that you will join us as a sponsor for a very special and important event: a Sip & Savor Soirée to benefit Inova Life with Cancer, the education and emotional support program of the Inova Schar Cancer Institute. On Saturday, February 2nd, 2019 Rinker Design Associates in partnership with Villagio Hospitality Group will host this event in The Great Hall, located on the campus of Farm Brew LIVE at Innovation Park.

100% of the proceeds from the Sip & Savor Soirée will directly benefit the Life with Cancer programs and services provided by oncology therapists, oncology nurse navigators, and other health professionals. Your generosity will help guide people through what often is a most challenging time in their lives and we are grateful for your kindness. Through the support of events such as Sip & Savor Soiree, Inova Life with Cancer continues to offer programs and services at no cost.

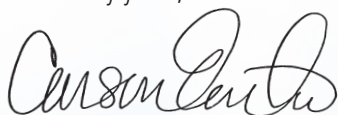

Life with Cancer arose from a father's need to guide and comfort himself and his children after his wife was diagnosed with, and later lost her battle to cancer. Determined to create a presence within the healthcare system, where people dealing with cancer could turn, Nando Di Filippo, made a generous donation to develop a program within Inova Health System solely devoted to supporting patients and families facing cancer. This program that began at Inova Fairfax Hospital in 1988, today assists over 40,000 patients and family members yearly throughout Northern Virginia, completely free of charge.

The Sip & Savor Soirée will feature signature cocktails, craft beer, and premium wine tastings paired with decadent culinary samples from local restaurants. It will also include a silent and live auction. We expect 200-250 adults in attendance, primarily from the D.C. metro area. Our supporter network includes many prominent business and community leaders, as well as families impacted by cancer. For more information, please visit the Inova Life with Cancer website at lifewithcancer.org.

The enclosed materials provide details about sponsorship opportunities. We also welcome donations for the event auction. We look forward to working with our sponsors to help promote their involvement in the Soirée and build relationships that we know will persist well into the future. Please feel free to contact me directly with any questions.

Thank you for your time, consideration and support.

Sincerely yours,

Carson Eonta
